- All contests are subject to COVID 19 rules and information may change as lockdown rules are eased or put back in place.
- There has been a lot of work on all lakes to improve them during the last few weeks but there is still work ongoing to improve and repair the pegs on all lakes. We hope not too, but we may have to adjust the dates depending on availability of manpower to complete this work and the required material to sort them out.
- As you may know, due to COVID 19 the committee decided to extend the current club card to 31 May 2021. The new club card will be available from 23 May 2021. The club card will in the future be valid from 01 June until 31 May yearly.
- It is planned to hold the Annual General Meeting on Fri 28 May 2021 starting at 2000 Hrs (8PM). How we will hold the meeting depends on the COVID 19 rules in place at the time. It will either be held at the sports club or via VOOM but either way it will go ahead.
